

No Turning Back

Isaiah 9:8-10:4

Outline of the passage:	The Reason for God's Judgment: Pride	Judgment 1: Bad National and Spiritual Leadership	Judgment 2: Anarchy	Judgment 3: Oppression & Moral Perversion
Verses:	9:8-12	13-17	18-21	10:1-4
Summary:	v. 10: "We can make up for any loss the Lord would put upon us!"	"The people do not turn back...nor do they seek the LORD..." v. 13	"Manasseh devours Ephraim..." v. 21	"...They deprive the needy of justice, and rob the poor..." v. 2
Consequence:	Stubborn hearts defy the will and Word of the Lord at their own peril	God would give them over to bad leadership—both politically and spiritually	A consequence of wickedness would be internal destruction and infighting	3 preparatory questions before judgment: -What will you do in the judgment? -To whom will you turn? -Where then will you keep your things?
