Sermon Questions and Application:

1. What is one thing that you remember from either the passage or the sermon? What made that stand out to you?
2. Read Isa 55:1, John 7:37-38 and 4:13-14. God's invitation is to receive the "water of life" for free. Why do so many have a hard time fully accepting what is free and beneficial from God?
3. Read Isa 55:8-9 and Romans 11:33-36, and consider their context. How does this affect how you see God's love for you? For others?
4. Read Isa 55:11 and Matthew 24:35. How does this truth inspire you to diligently and accurately include God's word in your ministry and life?
5. Isa 55:12 reminds us that God's destination for us is peace and joy. What specific things can impede you from abiding in this kind of abundance? What are some specific steps you can take to cultivate your faith so that you might start living in that abundance?
