Prayerfully applied scripture to our current environment to define essential ministry direction through a process of iterative assessments, resulting in specific goals and practical steps.

As a church, we are giving our all to respond to Jesus' Greatest Commandments and His Great Commission.

1

Lifestyles of Worship and Outreach for Each One of Us
Matthew 22:34-40

Worship is an outflow of our love for God, demonstrated through our lifestyle.

- Each of us growing in practicing this each day and as we gather together each week.
- Making our Sunday worship experience together exceptional and immersive, through holy leadership, optimal facility, and technical excellence.

Outreach is a daily part of responding to God's love in every area of our lives.

- Local Outreach as part of each of our daily worship to God. Knowing how to share the Gospel; as a body, organizing and promoting resources and events to visibly bring Gospel to western Loudoun.
- World Outreach: vigorously renewing our commitment to know and fund our missionaries, leverage technology, short-term teams, and support special projects.

2

Being & Making Disciples for Each One of Us
Matthew 28:18-20

Diligently apply the gifts & abilities God's given us to obey the Great Commission by:

- Deploying flexible approaches to discipleship for all stages and ages.
- Meeting people where they are to help them experience godly spiritual transformation.

Clear focus on our discipleship opportunities in Children & Youth ministries:

- Focus resources to equip and partner with parents to disciple our precious children (90% come to Christ before age 18).
- Use our strength with families to guide loving outreach and resources in response to a huge societal shift against biblical views impacting Christian and non-Christian families.
- Reinforce our efforts to support families by the addition of a Family Outreach and Discipleship Pastor.

How will we accomplish these goals? >>>

Ephesians 3:20

Now to Him who is able to do far more abundantly beyond all that we ask or think, according to the power that works within us.

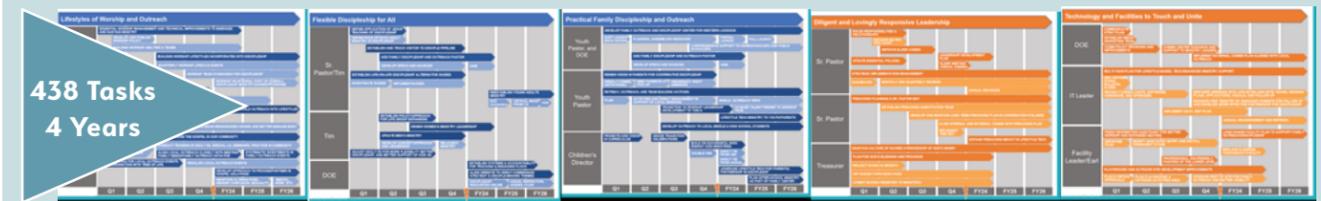

Diligent & Lovingly Responsive Leadership

- Formalize, streamline, and document our management and leadership structure, so that we improve our responsiveness for practical needs and support the ministry of the body.
- Deliberate action will be taken to add a full time Family Outreach and Discipleship Pastor to assist in leading crucial ministries, plan overall teaching direction of the church, and partner with the Senior Pastor in the preaching ministry.

Using Technology and Facilities to Touch and Unite

- Doing our utmost to improve our facility to make the best possible church worship experience (all our hearts, souls and minds) and leveraging lifestyle technology to support lifestyles of worship every day.
- Developing lifestyle-based, tech-enhanced ministry support, including sermon and childrens QRCs, discipleship tools, remote fellowship, support for parents' ministry during the week + teacher interaction and... much more!
- Building best-in-class playground as an essential element of our commitment to families and family outreach.

Flexible, Detailed Plan for Measured Progress

- Following Nehemiah's example to share the load as we humbly seek to "lead with diligence" (Romans 12:8).
- Weekly measurements, monthly reviews, annual reassessments.

How will we fund these goals? >>>

God has already abundantly provided most of the funds needed to accomplish His specific work here!

We're excited that to kick-off our Renewal, **God has already provided over \$380,000** that we are placing in a Special 2-Year Renewal Fund.

We anticipate a need to add **\$250,000 as part of this 2-Year Renewal Fund** to complete our 4-year initiative.

Resources fueled by this funding include:
Family Outreach & Discipleship Pastor.
Supporting an "all our hearts and minds" worship by improving/finishing our sanctuary.
Substantially increased tech adoption to enhance worship and multiply our effectiveness in outreach and discipleship.
Added funds to empower World and Local Outreach.
Site improvements, including best-in-class playground.

All that we have is the Lord's! His goals, His money, His church. We are committed to adjust according to His continual leading. First comprehensive reassessment is scheduled for Spring 2023.
